Dear Joe:

The Ohio Valley Chapter of Associated Builders and Contractors (OVABC) represents over 300 firms and 10-15,000 employees in southwestern Ohio, northern Kentucky and southeastern Indiana. Our chapter is one of 79 nationwide, all working to promote, preserve and protect the free enterprise system in the construction industry.

It is with great pleasure that we extend to you the official endorsement of our Chapter of ABC for your candidacy for Montgomery County Commissioner.

OVABC supports candidates who agree to uphold the free enterprise principles espoused by our association. As a member of ABC, you have demonstrated to us many times that you are willing to do so.

Again, we are very pleased to lend you our unqualified support and best wishes for a successful outcome on Election Day.

Sincerely,

Kathleen L. Somers
